PARENT CORNER

Dear GCS Families,

It is hard to believe we are already in week two of 2026 and stepping into our second semester. I pray that each of you and your families is doing well and beginning this new year with renewed strength and hope. As always, we are grateful for the privilege of partnering with you in the discipleship and education of your child(ren). God continues to guide GCS, and we are excited to share a few highlights of what He is doing on the GCS campus.

Highlights & Updates:

- Promotional Video for February Open House & Website

We are thrilled to share that work has begun on our new promotional video. Last week, we interviewed students from 3rd through 12th grade, and their joy, openness, and love for GCS truly shone. This video will be featured at our February Open House and on our website.

- GCS News Broadcast

Our Student Government is hard at work creating a brand-new GCS News Broadcast. This student-led project will be filmed on Fridays and viewed on Monday mornings during pledges and will highlight campus life, local, and world news.

- Parent Testimonies

Your voice matters deeply to us. We would love to hear how GCS has impacted your family. Please consider taking a moment to fill out our Parent Testimony Google Form link below and share what it has meant to have your child(ren) attend GCS. Your testimonies/stories encourage our staff, strengthen our community, and help future families learn about the heart of GCS.

Again, thank you for allowing GCS to partner with you!

Blessings,

HAPPY NEW YEAR!

May God bless you and your family abundantly in 2026 and lead you to new heights with His wisdom and mercy.

*For I know the plans I have for you, declares the Lord,
plans to prosper you and not to harm you, plans to give you hope and a future.

PLANS

RE-ENROLLMENT OPENS MONDAY, 2/2

You will receive an email through Praxi with a link to complete your student's enrollment. Please note that registration fees are based on the date you complete the process:

February 2: \$100

March 1: \$150

April 15: \$175

New student enrollment opens on March 1, so we strongly encourage current families to re-enroll early to secure their child's spot for next year and take advantage of the lower registration rate.

We're grateful to walk alongside your family and look forward to another wonderful year together at GCS.
